PRESENTED TO YOU

"Treasures in the Hall of Memory"

Sharing

Mr. Holaway, words cannot express our deep appreciation for your great contribution to B. C. H. S. the past five years as teacher, counselor, Principal, and friend. In an effort to thank you for all you have done, we, the WITMARSUM staff of 1959, dedicate this book to you.

SUPERINTENDENT'S MESSAGE

Upon the pages of this book you will be able to take a glimpse at the varied and many activities of "Bethany". It is our hope you will not only become better acquainted with the teachers and pupils of the school, but that you may be able to gain insight into the inner spiritual life, concerns and ideals of our student body. Inner victories of the soul, greater visions for service, and changed lives cannot be shown in print. In a greater sense, what has happened to many students in Bethany can only be measured in eternity. Therefore, this book shall become more endearing with the passing years.

Sincerely,

John S. Steiner

Faculty, Board of Directors, Parents, and friends. We the Class of "59" wish to express our deep appreciation to you for making Bethany Christian High School possible. Six years ago it was only a dream, but thanks to your help and co-operation this dream has turned into a reality. You have made this school not only a place of secular education, but also a place where spiritual truths have become the deep convictions of many sincere young people.

It is with a certain degree of sadness that we leave this institute of learning, some of us to go on to college to receive a higher education, but others will depend on these twelve years to carry them on through life.

Therefore, it is our aim to serve God and humanity in every way possible and thereby make this world a better place in which to live.

Mr. Culp, Sponsor; Mr. Holaway, Co-Sponsor.

The Junior Class, with eighty-two members, was the largest class at Bethany this year.

We worked on several projects throughout the year, to raise money for our Senior trip. Some of these projects were: selling cards, work-days, class dues, and a fish fry.

We have enjoyed the fun and fellowship together this year, and are looking forward to our Senior year at Bethany.

The Sophomore Class has sixty members. Thirteen of them are new this year and six of last year's students didn't come back.

We have been raising money toward our Senior trip with a work day and car wash in October. Also we are having semester dues.

We have enjoyed these two years at Bethany and are looking forward to the next two.

The first day at Bethany left many pleasant memories embedded in the minds of the thirty-eight freshmen starting their high school work here. Sure, there were times when we didn't know if we were at the right places at the right time, but that did not matter. Everything always turned out for the good.

Our first class party was a Halloween party at the school, and of course everyone had fun.

We have chosen green and white for our class colors.

All of us want to sincerely thank the faculty and other students for making our freshman year so enjoyable.

The Young Peoples' Christian Association is composed of four committees: Christian Service, Chapel, Publicity, and the Executive Committee. Members of these various committees are elected by the Y. P. C. A. as a whole.

Spiritual emphasis of the Y. P. C. A. is the responsibility of the Executive Committee. They are to guide the other committees in their duties, study and revise the Constitution as necessity demands, and interest the students in its activities and welfare.

Ever before us as a goal, stands our motto: "Always Onward, Forward, Upward."

The duty of the Christian Service Committee is to promote Christian service at B. C. H. S. This duty was begun by taking a gift to a former student who had a misfortune.

During the year we sang periodically for shut-ins and had students give programs in various churches on Sunday evenings. At Christmas time, an all-school Christmas Caroling was planned and gifts were made to give to the people for whom we sang. We also provided ushers for the MYF Convention.

Each committee member hopes that every student received a blessing as they participated in these ways.

The Chapel Committee spent a busy year planning programs for the Thursday student chapels and Prayer-meetings. Throughout the year, many Y. P. C. A. members and other students were used. This is one of many ways in which students can serve Christ.

Student topics were the predominating element in the Thursday chapel. There were also skits, hymn-sings, panel discussions and debates. The committee is grateful for fine co-operation received from students.

The goal of the Publicity Committee is to publicize the activities of the Y. P. C. A. to the student body.

One of our first projects was displaying posters at several places throughout the buildings, which encouraged student attendance at our Thursday Noon Prayer Fellowship.

Another important project was that of assigning students the task of writing letters to our sister schools. The answers to these letters were then printed in the REFLECTOR. This proved to be an interesting and informative project.
